

#### How to play "Rick and Morty the memory game"

1. Click on the "Play Game" button to start the game.  
2. The game will display a 4x4 grid of 16 boxes.  
3. Each box contains a random number from 1 to 10.  
4. You have 30 seconds to find the pairs of boxes that contain the same number.  
5. Click on the first box you think is a pair, then click on the second box.  
6. If the numbers match, the boxes will disappear and you will earn points.  
7. If the numbers do not match, the boxes will reappear and you will lose a point.  
8. The game ends when all pairs have been found or when time runs out.  
9. Your score will be displayed on the Leader Board.
